EBC TEFL STUDENT VISA PROGRAMME

Trinity CertTESOL or CertPT + Spanish + Student Visa with work authorisation

The student visa for Spain programme ONLY applies to people who DO NOT have a European Union passport.

Introduction

This fact sheet is for people who want a value-for-money study abroad package that combines the Trinity CertTESOL or CertPT course + a Cervantes Institute accredited Spanish course + a money-back guaranteed student visa with work authorisation for up to 30 hours a week.

The student visa programme

EBC offers a complete study programme designed for people that want to spend time studying abroad.

The programme combines:

1. an accredited Trinity CertTESOL or CertPT course as advertised on our web site and
2. a Spanish language programme with a Cervantes Institute accredited school in **Madrid, Barcelona, Malaga and San Sebastian**

Our partner Spanish schools, are officially accredited training institutions.

The Spanish programme covers Spanish at all levels from beginner through to expert and includes grammar, reading, writing, and speaking. The Spanish courses are serious but enjoyable. We do not throw in Flamenco classes, interviews with famous bull fighters, scuba diving courses or other such activities like some other companies. We prefer to concentrate on learning the language so that you can use it to appreciate Spain.

You will learn Spanish in a fun and lively atmosphere to enjoy yourself in Spain and get a deeper appreciation of the rich Spanish culture available.

What about visas?

If you are from the USA, Canada, Australia, or New Zealand, you do not need a **tourist** visa to come to Spain. You are automatically entitled to enter Spain if there are at least 6 months left before you have to renew your passport.

You should consider a Student Visa if ALL the following apply to you:

1. You want to take the Trinity CertTESOL or CertPT course + Spanish language programme
2. You are not from the European Union
3. You want to come and stay in Spain for more than 3 months
4. You want to study TEFL, learn Spanish in Spain and work a while

IMPORTANT - OPTION COURIER DOCUMENT DELIVERY 130 Euros

We can use either surface mail or courier these documents to you. Surface mailing is included in the regular fee for the programme. If you want the documents couriered, there is an additional fee of 130 Euros.

If you choose the courier service, **MAKE SURE** that there is someone around at the delivery address to accept the package.

The courier service is optional but based on some students who took the Student Visa + Spanish programme option, the surface mailing is unreliable. There have been several cases where the documents got lost, resulting in missed appointments. If you choose to have your documents surface mailed and get lost, EBC accepts no responsibility if the loss of the documents results in you missing your appointment.

YOU DO NOT HAVE TO PAY FOR EVERYTHING AT ONCE.

If you take our live-streaming course, you don't have to start your student visa processing until you decide when you want to come to Spain.

If you take a face-to-face course you must pay your course deposit of €325 and the Student Visa/Spanish Programme's full fee. This is because the Spanish school cannot send the original documents you need to present at the Spanish Embassy without the full payment for the processing service and original documents couriered to you.

Terms and conditions for the Student Visa money-back guarantee

EBC believes in transparency, which is why we publish our money-back guarantee terms and conditions up front. The short version of the terms and conditions is that if you have been honest on your student visa application form, there won't be any problems. Please read on for exact details.

1. A student visa is only issued in your home country. The definition of Student Visa ONLY covers the issuing of your initial Student Visa in your home country. The money-back-guarantee does NOT cover the extension procedure, application for a part-time work permit under article 90 of the current student visa legislation and any subsequent renewals.
2. The money-back guarantee does not apply to any problems of any type that arise after your initial student visa has been granted.
3. If you fail to get a student visa, you must inform EBC within 7 days of your rejection. You must mail the original letter of rejection to EBC.
4. EBC will ONLY make a refund if the reason stated in your rejection letter is our Spanish language partner school and the study programme.
5. If your student visa application is rejected for reasons related to your personal data including (but not limited to): lack of financial support, undisclosed personal information, false information given to the consulate/embassy, criminal record, health reasons, accommodation requirements etc. then EBC will NOT refund your student visa fee.
6. EBC will NOT refund after your student visa documents have been sent.
7. EBC will NOT refund after your student visa has been issued whether you decide to use it or not.

How to apply for a student visa if you are taking the online course

1. Apply for and attend an EBC online Trinity CertTESOL or CertPT course
2. **When you decide that you want to apply for a student visa, email us, and we will send you the personal details form to fill out and return**
3. **Receive, fill out and return the personal details form so EBC can write your study abroad documents**
4. **Contact your nearest Spanish consulate to get a list of required documents and make an appointment to present your documents**
5. **Send your Spanish programme fee.**
6. **Receive your study abroad documents from EBC**
7. **Get the other personal documents the consulate has requested**
8. **Attend the appointment at the consulate**
9. **Receive your student visa**
10. **Register your arrival when you come to Madrid**

Allow three months to finish the process and ensure that your appointment with the Spanish Consulate is at least three weeks before you come to Spain.

IMPORTANT 1: Two standard documents requested by the consulate are a statement that you are in good health and a police report stating that you are not a convicted criminal. The health report is quite easy to get, but the police report takes time. In some cases, between 4 to 6 weeks. You cannot attend the appointment you arranged in step 2 until you have all your documents. Make sure the appointment date you arrange is realistic. To speed up the personal document gathering process, EBC recommends that you start ordering these documents as quickly as possible.

IMPORTANT 2: After you have attended the consulate appointment, Step 7, you will have to wait until the student visa is finally approved. The consulate has to send all your details to Spain for final immigration approval. This process can take anywhere from one to three weeks.

Is the visa process guaranteed? Yes, we will refund your student visa fee if the consulate denies your student visa application because the Spanish school and study programme are not acceptable.

We have a 100% success rate in getting a student visa for Americans, Canadians, Australians and New Zealanders, so it is doubtful that you will be rejected.

You must understand that you will get a student visa and not a work visa. However, the student visa has a work authorisation lets you work up to 30 hours a week to cover living expenses. When you attend the consulate appointment, make it clear that you are coming to Spain to study abroad. Regardless of your intentions, please do not mention anything relating to work or they will deny your student visa application and EBC will not refund your fee.

THE BOTTOM LINE: DO NOT delay your decision to take the student visa and Spanish programme until the last minute. There will be no problems if you plan correctly and stick to the previously listed instructions.

Is the student visa process guaranteed?

There is a money back guarantee on your student visa + Spanish programme fee. You will still be able to find work in Spain with or without this visa, so applying for the Student Visa is aimed at people who want an extended stay in Spain to study Spanish.

Cancellation fee

EBC will refund the fee less the Spanish language school-s cancelation fee for the 1-year Student Visa Spanish programme upon presenting the rejection letter printed on Consulate letterhead. EBC will **ONLY** make a refund if the reason stated in your rejection letter is our Spanish language partner school and the study programme.

1. EBC will NOT refund after your student visa has been issued whether you decide to use it or not.
2. EBC will NOT refund after your student visa documents have been sent.

IMPORTANT Legal conditions and restrictions

When you arrive in Spain, you have 30 days to make an appointment to get your student visa ratified. If you do not do this, your student visa will become null and void after 90 days. We will help you make an appointment. If you fail to make the appointment date and time that immigration gives you, your student visa will become null and void.

If you attend the TEFL course, attend your Spanish classes and attend the ratification appointment, there will not be any problems.

If you are granted a student visa and then either:

1. fail to enrol and/or attend the EBC TEFL course or
2. fail to attend the Spanish classes,

we are obligated by law to inform immigration because someone has fraudulently entered Spain under a student visa guise. This will mean that your student visa will be declared null and void once we have informed immigration. No refunds will be given if this happens and EBC accepts no responsibility for any consequences arising from the situation.
