MADRID, SPAIN

Experience the best of Spain in its lively capital city, Madrid. Most Madrid residents speak Castilian Spanish, so if you also want to improve your Spanish, it's the place for you. English is not widely spoken in Madrid, so as you can imagine, there is plenty of room for another qualified English teacher. Add to this the **Madridleños** belief that a good night out is not a treat, it is your God-given right, and you have found a place where people are dedicated to living life to the fullest.

At EBC in Madrid, we will do everything possible to make sure you have an enjoyable time in this fantastic region. We are a small and friendly team offering you the warmest welcome. Our Madrid teaching and support staff have years of TEFL experience and just as importantly Madrid experience. Our staff are permanent residents of Madrid who have invaluable knowledge and will help you get to know Madrid.

Madrid is the capital of Spain and is located almost dead centre in the Iberian Peninsula. It is the highest European capital, roughly 646 metres (2,200 feet) above sea level and has over three million. Madrid is a cosmopolitan city but still retains a very Spanish outlook on life. It is characterised by intense cultural and artistic activity and an exhilarating nightlife or more than often lively early morning life. The Spanish even have a nightlife verb: "**madrugar**" - to stay out partying all night and get home at 7 or 8 the next morning.

Madrid is certainly the place to immerse yourself in Spanish culture. There is plenty of intellectual stimulation available at some of the best museums in Europe like the Prado, Reina Sofia and Thyssen Bornemizsa. If you want to sharpen your Spanish language skills, Madrid is the place as not many **Madridleños** speak English. Madrid, the Spanish capital, and Spain's business and financial centre is the best place to find TEFL jobs in Spain.

Madrid has many sights to offer, many places of interest that you can find in your travel guide, but also take some time to see the old part of the city. Discover hidden parks, small shops where artisans make and sell their wares, or colourful decorations on walls in **La Latina**, **Lavapies** and **Rastro's old neighbourhoods**. You can see Madrid's original architecture in these areas, have a drink and **tapas** in typical bars, meet ordinary Madridleños, visit covered permanent markets selling mostly fresh fruit, vegetables, meat, fish, etc.

Probably the best attraction of **La Latina** is to stroll around, letting the neighbourhood soak in. Just walk through the narrow streets and alleys, go with the flow, as if you were a boat on a river, always being pushed forward by the current. In **Lavapies** you can have a kebab out on the street, listen to the drummers in the square or have a **Cerveza** in bars where the furniture seems to have been collected from people's living rooms.

Aside from the ethnic and original Madrid ambience that **Rastro** shares with **Lavapies** and **La Latina**, **Rastro** is home to **El Rastro**, the biggest and most varied open market in Madrid.

El Rastro is a famous flea market that opens on Saturdays and Sundays between the **Plaza de Cascorro**, **La Latina** and the street of **Embajadores**. You can find everything imaginable from valuable antiques to used clothing, including collector cards, books, records, paintings, etc. The side streets also teem with bars and cafes where you can take refuge after a hard day's shopping.

And finally, a word about Madrid's nightlife. If you are finished and ready to go home at 4 am, you will probably be the first one to bed. According to the Madrid tourist board, a good night out ends at around 7 am after visiting at least 5 different night spots. Madrid has some of the best all-night entertainment in all Spain, and you will never be stuck for somewhere to go at just about any hour of the day. With all this to offer, Madrid is a great place to have fun. History and character, artists and theatre and a great nightlife. Madrid is the hub of Spain and the country's business centre, so there is never a shortage of teaching jobs.

If you are in the mood to thoroughly immerse yourself in Spain, do it in Madrid! ACCOMMODATION PACKAGES AND OPTIONS

Check with your country's Spanish embassy or consulate to determine your specific entry requirements to cover the 28 days TESOL TEFL course period.

To attend the course, you must have a tourist visa that will allow you to stay in Spain for 5 weeks. Make sure you have your visa BEFORE you send your deposit.

This information is subject to change at any time. To avoid disappointment, please contact your local consulate for current travel regulations before planning your trip.

ONE YEAR STUDENT VISA IN SPAIN

If you have a European Union passport, IGNORE this section.

It is still possible to work in Spain without a work permit for 6 to 9 months. This statement is based on our experience placing teachers in Spanish language schools since 2002. However, some people feel more comfortable with a long-term visa, so **we offer a one-year student visa programme.**

Our student visa package includes your Trinity College CertTESOL course and certification, and a one-year Cervantes Institute accredited Spanish course.

The student visa programme has a money-back guarantee if you are denied because the Spanish consulate rejects the Spanish school and the programme.

The Cervantes Institute [CI] is the official organisation for Spanish language learning. Our partner Spanish school has been running Spanish courses for 35 years and is accredited by the Cervantes Institute.

How to apply for a student visa

1. Apply for an EBC TEFL course in Madrid
2. Receive, fill out and return personal details form so EBC can write your study abroad documents
3. Contact your nearest Spanish consulate to get a list of required documents and make an appointment to present your documents
4. Send your student visa processing fee
5. Receive your study abroad documents from EBC
6. Get the other personal documents the consulate has requested
7. Attend the appointment at the consulate
8. Receive your student visa
9. Register your arrival when you come to Madrid

Allow three months to complete the process and make sure that the appointment you make in Step 3 is at least three weeks before you fly to Madrid.

IMPORTANT 1: Two standard documents requested by the consulate are a statement that you are in good health and a police report stating that you are not a convicted criminal. The health report is quite easy to get, but the police report takes time. In some cases, between 4 to 6 weeks. You cannot attend the appointment you arranged in step 2 until you have all your documents. Make sure the appointment date you arrange is realistic. To speed up the personal document gathering process, EBC recommends that you start ordering these documents as quickly as possible.

IMPORTANT 2: After you have attended the consulate appointment, Step 7, you will have to wait until the student visa is finally approved. The consulate has to send all your details to Spain for final immigration approval. This process can take anywhere from one to three weeks.

Is the visa process guaranteed? Yes, we will refund your student visa fee if the consulate denies your student visa application because the Spanish school and study programme are not acceptable.

We have a 100% success rate in getting a student visa for Americans, Canadians, Australians, and New Zealanders, so it is doubtful that you will be rejected.

You must understand that you will get a student visa and not a work visa. However, "Article 90 - Work for students or researchers", means that you can apply for permission to work up to 20 hours a week to cover living expenses.

When you attend the consulate appointment, make it clear that you are coming to Spain to study abroad. Regardless of your intentions, please do not mention anything relating to work, or they will deny your student visa application, and EBC will not refund your fee.

WHAT SHOULD I BRING?

Mandatory

1. Your **passport** with at least 6 months left to run on it (with a visa if you need one – refer to the visa section for more information).
2. A **round-trip or onward travel ticket** if you are not already in Spain. If you arrive only with a one-way ticket and passport control asks to see your return ticket, they will force you to buy a return ticket on the spot. This will be expensive. The chances of this happening are unlikely but not impossible. It is best to play safe.
3. Your **signed course payment receipts**.
4. If you have a degree, a **copy of your transcripts** (official or unofficial) or a **copy of your degree certificate**.
5. **Laptop computer - YOU MUST BRING A LAPTOP**. We give you the codes to connect to our free WIFI, but you are responsible for configuring your laptop and making sure it works properly and connects.

Recommended items for the TEFL course

1. **Mobile/Cell phone** - If you have a tri-band phone - BRING IT. You will find that it is cheaper to buy a pay-as-you-go card for your phone than to buy a new phone. Being contactable by phone is IMPORTANT. There are good local phone companies: Telefonica, Vodafone, Orange and YOIGO.
2. All foreigners can use Spanish national health, but we HIGHLY RECOMMEND that you take out a **personal accident and health insurance**.
3. **Scissors, notebook, glue, pens and pencils, paper clips, blue tac** (do not forget to put your scissors and other sharp objects in your check-in baggage)
4. **English-Spanish phrasebook and/or dictionary**
5. **Presentable clothes** for teaching and job interviews. Business suits are required at some client sites.
6. **Electrical converter**. Spain operates on a 240-volt system
7. A **travel alarm clock**
8. **Towels and toiletries**
9. **Money belt**
10. If you plan to stay and look for TEFL jobs you may need your birth certificate (original or a notarised copy) and original or copies of your University or College qualifications (degree certificate or transcripts)

WHAT KIND OF CLOTHES SHOULD I BRING?

There are no specific dress rules when you attend class, but we ask that you respect your peers and that you are a visitor in another country.

There are specific dress requirements for teaching practice sessions that conform to the local working and professional culture. You are expected to dress smart casual as per the following guidelines.

Women

Cover your shoulders (blouses with sleeves). You must not wear low-cut necklines or noticeably short skirts. Bare midriffs must not be visible, even when lifting arms. Open-toed shoes are acceptable, but no hiking boots, sneakers/trainers, or beach sandals.

Men

Long pants/trousers. NO jeans. Short or long-sleeved shirts with a collar (a tie is not required). Loafers or dress shoes are acceptable (no sandals, hiking boots or sneakers/trainers). Make sure you tie back long hair.

Other wardrobe planning should be based on the seasonal temperatures mentioned in the **Local Weather Conditions** section shown later in this document.

ARRIVING: AIRPORT TO DOWNTOWN TRANSPORTATION

Madrid's international airport is called **Barajas** and is situated about 20 kilometres from central Madrid. It is quite big, and there are four terminals.

UNDERGROUND RAIL—" EL METRO" - 15 MINUTES TO DOWNTOWN

The Barajas Airport Metro station is in Terminal 2. Trains leave about every 5 minutes from 6.00 am to 2.00 am. Line 8 ends at the **Nuevos Ministerios Metro station** in the centre of Madrid.

SHUTTLE BUS—45 TO 60 MINUTES TO DOWNTOWN

An airport bus runs between all the Barajas terminals and **Plaza Colón** in down-

town Madrid. There are several stops on the way to Plaza Colón. At Plaza Colón the underground bus terminal connects with the **Colón Metro station**. Buses run daily in both directions about every 10-20 minutes from 4.45 am to 1.30 am.

TAXI —30 TO 45 MINUTES TO DOWNTOWN

There are plenty of taxis outside the arrival area in the official taxi ranks. There is a huge sign on the wall near each taxi rank, indicating how the taxis operate and how much they cost. Official taxis are white with a red stripe on both sides. Please **DO NOT** go with people who walk up to you and offer you a taxi; they are not licensed and are not insured to take passengers.

LIMO —30 TO 45 MINUTES TO DOWNTOWN

This is an option, but it is not worth considering because it is expensive. Bearing in mind the low-cost and efficiency of public transport, a limo is not really a necessity.

WILL I REALLY GET A JOB TEACHING ENGLISH IN SPAIN?

The short answer is YES.

1. In Madrid, it is easy if you have a recognised certificate like EBC's.
2. Madrid has the greatest demand for native English teachers in the whole of Spain.
3. Many language schools in Madrid do not care if a prospective teacher has a work permit.
4. EBC is always being asked for teachers by language schools as early as the first week of a new course.
5. EBC graduates are usually working shortly after finishing the course at full market rates (15 to 20 Euros per hour).
6. Due to the political and social unrest in Cataluña, many companies are leaving Barcelona and moving to Madrid. This is good for Madrid because the English learning population will grow even more.

WHAT IS THE TEFL JOB MARKET IN MADRID LIKE?

The TEFL job market in Madrid is always good, and hiring is year-round.

Do not delay looking for a job until you start running out of money. The best time to get a job is when you finish the course. We send your CV/resume directly to the hiring managers of 350+ schools in Madrid. Most schools in Madrid do not care whether you have a work permit or not.

WHAT IS THE AVERAGE SALARY FOR AN ENGLISH TEACHER?

The average salary for a starting teacher in Madrid is between 15 and 20 Euros per hour. This varies depending on what type of school or company you work for and whether you work full-time or part-time. We do not recommend that you accept less than the minimum unless the school is also throwing some other incentives like free Spanish lessons or other valuable benefits.

HOW MANY EBC GRADUATES REALLY FIND WORK IN SPAIN?

The EBC course training centre in Madrid also runs a language school. Subject to availability, you may get offered an English teaching job by the language school at the end of the course.

We have been running the course since 2002, and all our course graduates who have wanted to work in Spain have been able to secure teaching positions.

So far, all EBC Madrid course graduates have got jobs after finishing the course. If you do not get a job, you will be the first.

MORE ABOUT MADRID

Local transportation

Central Madrid is a great place to see on foot, but like all capital cities it is large, so if you want to go further afield, use public transport.

Public transport in Madrid is safe and efficient, the "**Metro**" (Subway/ Underground) is the easiest to use. It has a big network to central and outlying Madrid. There is also an extensive city-run bus service and commuter rail service. There are also plenty of taxis. Once you are settled in, we recommend that you buy a 1 month "**Metrobus**" pass for central Madrid (Zone "A"). This costs a little over €50 and gives you unlimited use of the **Metro**, **public bus system** and the **RENFE commuter rail service** during the month.

Shopping

Madrid has probably the best shopping in all of Spain. There are many areas containing malls and shopping areas full of different types of stores. Unless you are in a street market, where you may be able to haggle prices, the cost of items in stores is as marked.

COMMON-SENSE WARNING: Shopping areas in tourist areas attract pickpockets, so watch your purse or wallet.

Mountain life

About an hour to the north of Madrid by train is the **Guadarrama** mountain range. The highest peak is **the Peñalara** that rises to 2,430 metres (about 7,500 feet). You can go hiking or climbing, visit the national parks, go horse-back riding or simply take in the breath-taking views over the state of Madrid.

Skiing

The **Guadarrama** mountains are Madrid's ski vacation home. There are two main ski stations, **Puerto de Navacerrada** and **Valdesqui** in operation from December through to March. Snow is generally good, and ski stations have snow machines as well. If you are a real die-hard, you can ski all year long in Europe's largest indoor slope in the **Xanadu mall** in **Arroyomolinos**, a suburb about 10 kms. South of Madrid.

Beaches and swimming

Madrid has lots of outdoor public pools that are open all summer and have excellent facilities. Entry for a full day is about €4. There is a human-made beach in central Madrid on the banks of the **Manzanares river**. The nearest beaches by the sea are in **Valencia**, but with the near health spa quality of the outdoor pools in Madrid – well it's up to you!

Football/Soccer/Sports

Real Madrid and **Atletico de Madrid** are both premier league clubs in Spain. Real Madrid is probably more famous and has its football stadium "the Bernabeu" in Madrid's centre in the Azca district. Atletico de Madrid is situated in west-central Madrid in the Canillejas district.

Local weather conditions

QUESTIONS ABOUT LIVING IN MADRID

What are the average housing and living expenses when working in Spain?

You will most likely rent a room in an apartment or house with other teachers or Spaniards. Prices depend on where you choose to live. A room in a shared house or apartment in a good neighbourhood is about 300 to 450 Euros a month.

TEFL teachers are quite well-paid by local standards, which means they can afford a comfortable living standard. A TEFL teacher can expect to earn between 1,200 and 1,700 Euros per month, working 20 to 30 hours per week. While this may not sound a lot by international standards, it means you can live quite comfortably in Madrid.

How much money should I bring?

If you do not arrange your accommodation through EBC, you should budget to spend between €700 (Spartan life) to €1,000 (comfy life) for the period covering the 28-day course. If you want to stay and work in Madrid or Spain, you should budget around €1,000 to cover yourself until your first pay-check.

What if I get sick in Madrid?

If you need urgent medical attention, you can use the Spanish National Health service. Several insurance companies offer their own health insurance services at about 50 Euros/month with almost 100% coverage of all medical costs. We recommend that you get health insurance before you travel.
