### WELCOME TO EBC AND OUR LIVE-STREAMING TRINITY CERT TESOL COURSE

Welcome to EBC's live-streaming Trinity CertTESOL course that includes observed teaching practice and worldwide, lifetime, proactive job placement.

The EBC live-streaming Trinity CertTESOL course is the same as our Madrid face-to-face Trinity CertTESOL course. The only difference is that you study using ZOOM and MOODLE rather than in a classroom. You attend classes with your trainer(s) and your classmates using ZOOM and MOODLE. You teach your observed teaching practice classes using ZOOM. EBC arranges your observed teaching practice classes for you.

In four weeks, you could be getting ready for your first paid English teaching job abroad.

**THIS COMPLETE, ACCREDITED LIVE-STREAMING TESOL CERTIFICATION COURSE IS VERY POPULAR, AND PLACES ARE LIMITED!**

### Learn how to teach using ZOOM

In addition to learning all the skills you will need to teach English as a foreign language and get one of the best TESOL certificates in the world, you will also learn how to teach using ZOOM. This is an invaluable skill in the new world of interactive live-streaming training.

In-person training used to be the only way to deliver English classes. Teaching English online is now increasing and knowing how to teach online is a valuable skill. Thanks to ZOOM, interactive live-streaming teaching is now fast becoming one of the most effective ways to deliver English classes in this time of social distancing and fewer face-to-face English schools around. As an English teacher, to find work right after your TEFL course, you must know how to deliver your classes online effectively.

Zoom is an excellent way to do this, and most schools use Zoom to deliver their English language classes. On the live-streaming Trinity College CertTESOL course, you will learn how to deliver English language training using all of ZOOM's tools:
