*Unit can hold 20lb LP Tank inside base, concealed with access door

FEATURES

- Advanced Crystal Fire Plus® Burner technology
- Can be set up to run on liquid propane (LP) or natural gas (NG)
- Made of Supercast - OGC's Glass-Fiber Reinforced Concrete
- All models available in 6 colors: Natural Grey, Midnight Mist, White, Linen, Latte and Earth Stone
- Automatic gas shutoff
- Timers and E-stops for commercial use

BENEFITS

- Minimal surface texture provides natural concrete look and rich colors
- UL tested and ULC listed for safety
- Sturdy design and outdoor-rated materials prevent Coves from being moved or worn down by weather and other outdoor elements
- All parts and essential accessories are included in one SKU (fire media, burner cover*, and ignition). No extra parts or orders necessary

*Burner cover not available for Linear or Edge models
