

U·LINE

UNDERCOUNTER GUIDE

Refrigeration driven by design since 1962.

Introducing A NEW ERA OF EXCELLENCE

Welcome to a new era of excellence—where beautiful design meets unmatched functionality. Designed for a modern lifestyle, U-Line refrigeration properly preserves food, beverages, and wine while delivering the seamless integration and designer-preferred features today’s consumers demand. With the simplest panel installation in the industry, U-Line is redefining the standard for built-in integration and elevating our legacy of innovation and style. Refrigeration driven by design since 1962, we remain committed to premium performance—implementing advanced technologies that help extend preservation and keep everything at its best.
